EXPERIENCE

OFFSITE SUPPORT CONSULTANT

GreatSoft | Cape Town, WC

MARCH 2024 – PRESENT

- As an offsite support consultant, I provide expert assistance with GreatSoft software, focusing on training, database corrections, and addressing user inquiries. I regularly utilize SQL to resolve complex data issues, ensuring smooth operations for clients. Through this role, I've gained extensive experience with enterprise software, continuously developing my expertise while delivering high-quality support.

TECH / CYBERSECURITY INTERN

Foschini | Cape Town, WC

JUNE 2018 – JUNE 2018

- Gained hands-on experience in security operations by collaborating with cybersecurity specialists, actively contributing to safeguarding systems. Additionally, assisted in the installation and configuration of server hardware within a data center environment.
